

Counting Change

Keep your brain sharp! Use the activity below to test your brain power while improving your skills in counting change! Simply mark how much of each currency is needed to reach the amounts listed in the column on the left. Then ask a parent or older sibling to double check your answers. Good luck!

	Amount	Quarters	Dimes	Nickels	Pennies
1.	68¢				
2.	93¢				
3.	40¢				
4.	72¢				
5.	33¢				
6.	27¢				
7.	56¢				
8.	18¢				
9.	24¢				
10.	86¢
