Democracy FCU Invites You to Drive Happy this Holiday Season!

Alexandria, VA—Democracy Federal Credit Union is giving members a reason to drive happy this holiday season by offering three months of no auto loan payments when they purchase a new or used vehicle, or refinance their current vehicle during the month of October. With rates as low as 2.35% APR*, members are cruising into the holidays with no payments until January 2020 leaving them with the financial means to enjoy the holiday season!

And if that wasn't enough, Democracy FCU is offering a 12 month Certificate Special for members starting on October 1. The certificate special offers rates of 2.65% APY* for 12 months with a minimum opening deposit of \$300. The step-up certificate also allows members to add any monetary amount, at any time, until the certificate matures.

If you're thinking of a new car this season, visit any Democracy FCU branch, or online, to start the car buying process. The money you save with no payments until January 2020 can be used towards opening a certificate special to build your savings!

At Democracy FCU, we're all about helping our members build financial freedom. Having low rates is awesome, and offering no payments and the ability to save is even better! We invite you to visit any of our branches to become a member and take advantage of these limited time savings!
