As with many cancellations due to COVID-19, proms and graduations across the country have been cancelled, leaving students unable to enjoy the high school traditions that they look forward to throughout the year. Democracy FCU is standing up to this COVID-19 shutdown and throwing a virtual prom for students to attend from home!

Democracy FCU will host the virtual proms via ZOOM for local schools who fall in our field of membership. The virtual prom will also be open to the general public to join in on the fun! Prom goers will enjoy the sounds of a live DJ who will be taking requests and offering up an upbeat selection of music and fun group dances!

What would be a night of prom without the customary prom dinner? To add to the evening's excitement, students can enter to win a dinner delivery the night of the dance! Students are encouraged to dress in their prom formal wear enjoy social distancing with their friends from their living rooms! They will also be able to enjoy the traditional crowning of the school's Prom King and Queen.

Share your prom pictures with by posting on social media and using **#DFCUProm2020**.
